

DS-40i DOCUMENT INSERTER

Fast, easy, compact.

SIMPLIFY YOUR DOCUMENT PROCESS

A smart, versatile solution to help meet your mailing needs

Communicating with customers is an essential part of your business. That is why a fast and efficient mailing process is essential. The DS-40i folder inserter introduces an automated process that takes mail processing from hours to minutes. Manual processes take time and resources that could be better focused on more valuable tasks.

User-friendly System

The DS-40i includes an intuitive 5-inch color touchscreen for easy operation. With the incorporated wizard-based software, you can easily program, adjust settings, and run your jobs, letting the software guide you each step of the way.

Design Versatility

The DS-40i's proven reliability and ease-of-use will allow you to complete jobs quickly and efficiently. Its office-friendly design provides easy accessibility to the entire paper path.

Flexible Document Feeding

The DS-40i accepts a wide variety of documents, such as invoices, statements, inserts, and envelopes. With double-feeding detection, you can rest assured that each envelope has the correct number of documents. Give your communications a professionally finished look and feel by choosing one of the three folding choices: letter fold, single fold, or double parallel fold.

Business Impact

Revenue Growth

Support faster invoice processing and payment time

Customer Engagement

Helps to improve the quality and process of customer communications

Risk Mitigation

Helps to ensure each envelope has the correct number of documents

Expense Control

Supports reduce operating costs through process automation
