

Simple self-serve card vending solution

EFI™ Self-Serve G5 Card Vending Kiosk is a fully featured kiosk enabling the unassisted dispensing and adding value to cash cards.

Need to accept cash for copies and prints?

The G5 Card Vending Kiosk provides a completely self-serve method to accept cash for use with the M500 Copy and Print Station.

By allowing cash customers to dispense and add value to cash cards, check balances, and print receipts, it makes accepting cash for copies and prints easy and efficient. The G5 Card Vending Kiosk features:

- 19" capacitive touch screen
- High-speed thermal receipt printing
- Capacity for 200 cards
- Multi-directional bill acceptor that holds up to 600 bills
- 2D barcode scanner
- Optional coin acceptor
- Optional PIN terminal mounting bracket
- Support for customized skins and signage
